Alpesh Patel
Director

WHO WE ARE ?

We are an enterprising international player in the Faucet industry since the year 2007. The vision of the company is to build long-term relationships with the clients across the globe by offering quality products & excellent after sales service to cater to their ever emerging needs & requirements. Designed on the principles of Aqua-dynamics - that is fusion of engineering with customer oriented designs - these Bathfittings, Bathwares and Accessories give excellent performance for years together and are offered under brand name of 'Mcan'. MCAN takes pride in its culture, traditions and values. MCAN is proud to display its Indianness through its products and it is this spirit that binds MCAN with the entire humanity around the globe. Just the way technology has revolutionized every aspect of bathroom fittings, we, at Mcan, have grown and established ourselves at changing the perspective of people using bathrooms. We focus on technology that promotes hygiene and cleanliness.

INSPIRING FAUCET

Inspiration can come from anything and ours comes from everything around us. Every Mcan Faucet is an amalgamation of inspired thinking, stunning design and brilliant mechanics, created to perfection to suit the discerning taste of young India.

QUALITY STANDARDS

In the fast developing world of global trade and business our products meet international standards of quality standards for plumbing being used globally. The sequential quality control checks, performed by technically trained professionals, ensure excellent quality of end products. Stringent quality control inspection involving material tests, dimensional checks, hydraulic test, flow rate test, nickel & chrome adhesion test and life span test of spindle assembly - are some of the tests that ensure trustworthiness of our products.

The Pure Inspiration From Nature

Inspiration can come from anything and ours comes from everything around us. Every Mcan Faucet is an amalgamation of inspired thinking, stunning design and brilliant mechanics, created to perfection to suit the discerning taste of young India.

VISION

The vision of the company is to build long-term relationships with the clients across the globe by offering quality products & excellent after sales service to cater to their ever emerging needs & requirements.

CORE VALUES

QUALITY

Quality is at the core of everything we do. From material selection to final inspection, every faucet is crafted with precision, durability and attention to detail to meet the highest industry standards.

QUANTITY

Our advanced manufacturing capabilities allow us to handle large-scale production efficiently. We ensure consistent quality and uniform performance across every unit, regardless of volume.

QUICK SERVICE

We believe timely service is essential to strong partnerships. With streamlined processes and responsive support, we ensure quick turnaround times and dependable deliveries without compromise.

IN ASSOCIATION WITH

APPROVED BY

- PROJECT IMPLEMENTATION UNIT (PIU)
- SAMAGRA SHIKSHA (SSA)

MANUFACTURING PROCESS

BUILT TO LAST

Solid Brass Body

Superior Chrome Finish

Corrosion Resistant

Smooth Lever Control

Low Maintenance

Heavy Duty Use

Leak-Proof Cartridge

Water Saving Technology

Scratch Resistant Coating

Long Lasting Shine

Once we ordered some electronics items and we got the products delivered in our doorstep in time, the customer support was super helpful and they answered all my queries.

CERTIFICATE

ISO 9001:2015 Certified Quality Assurance (Certified Excellence in Bath Fittings Manufacturing)

- BPA-FREE (BISPHENOL A) FAUCETS
- FOOD GRADE ASSURANCE

- 1. Safe for Drinking Water**
No BPA leaching into water, ensuring purity and safety.
- 2. Food-Grade Certified Materials**
Made using materials approved for contact with consumable water.
- 3. Health-First Design**
Protects against potential hormonal and long-term health effects linked to BPA.
- 4. Taste & Odor Neutral**
Preserves the natural taste and quality of water.
- 5. Ideal for Homes & Commercial Use**
Suitable for kitchens, hospitals, schools, hotels, and food-related environments.

We are using products of **YANTRANSH SPINDLES** to assemble the ceramic cartridge

Mcan Company warrants to the purchase for faucets with a warranty up to 7 years from the date of purchase, that the company will repair or replace free of charge, any defective part of product after the company is fully satisfied in its discussion that defect is due to defective material or defective workmanship only.
